OBJECTIVE

Computer Science student seeking a Web Developer internship to utilize coding skills and gain hands-on experience.

EDUCATION

B.Tech Computer Science Engineering, SRM Institute Of Technology — Expected 2027

Higher Secondary Education, New Horizon Scholars School — Completed 2023

SKILLS

Technical Skills	C, C++, Python, Java, HTML, CSS, JavaScript, GitHub, React, Tailwind CSS
Soft Skills	Problem-solving, Team collaboration, Time management, Learning Agility

PROJECTS

Todo List Project [(Check it out here)](#)

- Implemented a fully functional Todo List application using HTML, CSS, and JavaScript.
- Added features such as marking tasks as complete with a tick, deleting tasks, and saving data in local storage.
- Enhanced user experience by ensuring the tasks persist across sessions using local storage.

Personal Portfolio Website [(Check it out here)](#)

- Built a responsive portfolio website using HTML, CSS, and JavaScript.
- Included interactive elements, a clean layout, and a project gallery to showcase my web development skills.

Rock Paper Scissors Game [(Check it out here)](#)

- Developed a simple and interactive Rock Paper Scissors game using HTML, CSS, and JavaScript.
- Implemented logic for player and computer moves, win conditions, and dynamic score tracking.
- Created a responsive user interface with CSS to provide an engaging user experience.

CERTIFICATES

Python Course

- Gained comprehensive knowledge of Python programming through Udemy.
- Built foundational projects to apply and reinforce Python skills.

Object-Oriented Programming in C++

- Mastered core Object-Oriented Programming principles such as inheritance, polymorphism, and encapsulation.
- Applied OOP concepts in real-world scenarios through C++ projects.

EXTRA-CURRICULAR ACTIVITIES

- Volunteer at Aaruush: Collaborated with a team to organize and execute various college events, creating projects, charts, and artwork to enhance event presentations.
- Tech Enthusiast: Passionate about coding and staying up to date with the latest technology trends.
